LLOYD'S BROKER

Motor Fleet Solutions

We are a well-established team of passionate professionals with wide experience in arranging Motor Fleet insurance in the Lloyd's of London, the London Company markets and MGA's operating within London.

Our Motor Fleet division has experienced remarkable growth since its inception just a decade ago, currently contributing over £80million in Gross Written Premium (GWP) to the London market.

We have a wide-reaching presence in the market, connecting with nearly twenty different carriers. This positions us exceptionally well to secure solutions for your clients at highly competitive premium rates and favourable terms. With access to capacity that surpasses our competitors, we are excellently positioned to assist our broker partners in both retaining and winning new business.
